

Business Covid 19 Aid and Assistance

- Assistance with financial impacts

Disaster Assistance Funds - SBA - CARES Act

 The following are a result of the CARES Act. The **Paycheck Protection Program** covers your entire payroll. Don't forget that you are also an employee. Retain all of your employees and this loan may be forgiven and treated more like a grant. The **Emergency Injury Disaster Loan** makes capital available to cover operating costs to hold you through this time of crisis. Link, below, to steps and forms needed. The steps and forms are the same for both the paycheck program and the emergency loan.
